Memo

Re: Forcase

Espionage - R

On 2-22-50 subject Abraham Brothman came out of his office building at 41-15 29th St. L.I.C. with a man and woman who were the only persons he was in contact with that night (see log submitted)

From information furnished by other surveillance agents, it is felt that the man is his close associate, of somewhat Hindu appearance, who has been seen entering Brothman's residence on several occasions. The woman is believed to be Miriam Tuckowitch, his secretary and girl-friend.
